CONFIDENTIAL

20 OCT 1950

The Honorable Francis Case
 U. S. House of Representatives
 Washington 25, D. C.

Dear Mr. Case:

This is to acknowledge receipt of your letter of 13 October 1950 referring to [redacted]

25X1

25X1 If [redacted] is not presently on active duty, but is a member of the JAG Reserve, and if he desires employment with the Central Intelligence Agency at this time, it is suggested that he file two copies of the regular Application for Federal Employment (Form 57) with this Agency. If [redacted] is a Reserve 25X1 Officer now on active duty and wishes an assignment in the field of intelligence, he should make such a request through his normal military channels.

25X1 The Central Intelligence Agency being a civilian agency and not under the Department of Defense, does not maintain a Reserve such as is maintained by the various branches of the Armed Services. If [redacted] is not now on active duty and is not desirous of civilian employment with this Agency, but is interested generally in the field of intelligence, it is suggested that he apply through military channels for a transfer of his Reserve Commission from the Judge Advocate General's Reserve to the Military Intelligence Reserve in the Department of the Army.

I hope that the above comments will be of assistance to [redacted] 25X1 in connection with his request.

DOCUMENT NO. 17 Sincerely,

NO CHANGE IN CLASS.
